

On behalf of myself and the team, we wish you all a very Merry Christmas and a Happy New Year. We look forward to seeing you back on Tuesday 4th January.

Mrs K Steward, Principal

Christmas Jumper Day

Too many cute pictures to choose from! We raised £191.90 for Save The Children.

Christmas shows

We were fortunate enough to be able to share our Christmas concerts with our families this year.

The children and staff did an amazing job. We really hope you enjoyed the performances!

Times table Rock star champions

This term, year 4, 5 and 6 pupils competed in a Times Tables Rock Stars competition – Rock Wrangle! We were in competition with not only the other pupils in the year group but also pupils at the other OAT primary schools! The pupils did extremely well and although no pupils from OSPA won against the other schools, we definitely had some winners within school! Robert Baboi, Altaf Hussain and Apisan Rameshkumar were the winners out of their year group for scoring the highest amount of correct answers. Well done!

New Admin Assistant with Responsibility for Attendance

Please welcome our new administration assistant, Mrs Unwin. She will be responsible for attendance so please ensure that Mrs Unwin is kept up to date if for any reason your child is not in school. She can be contacted on 01472 231659, option 1.

We raised **£383.96** for Comic Relief!

Together for childhood (NSPCC)

Together for Childhood offers services and support to parents and families, helping them understand and support the children in their care.

On **25th January 2022** we are having a coffee morning for parents and friends at 9am -11am. The School Nurse, a lady from the Benefits Service and our Together for Childhood ladies are coming to offer advice around sleep routines, healthy eating, head lice, behaviour support in the home, poor mental health or anxiety and any money problems you may need help with. If you would like to hear more about this event, please contact Mrs Allington.

ICT suite now in use

It has been great to see our brand new ICT suite back in full use this half term! Children from all year groups have been refining their computing skills in lessons on coding, programming and problem solving. The children absolutely love the new work space which also incorporates our new library.

Gander Farm

Year 3 loved their trip to Gander Farm to learn all about climate and how it affects farming. They enjoyed digging for worms, identifying different crops and listening to the wonderful sounds of the countryside.
