

**You know it's been a busy half term when the newsletter is 3 pages long!**

**It really has been an action-packed few weeks. Firstly, I wanted to say a huge well done to our year 6 pupils for their amazing efforts in their recent SATs examinations. Also, thank you to the awesome year 6 staff for everything you have done to prepare them. Next term, we see our two residential trips taking place. We hope the children make memories to last a lifetime.**

**Have a fantastic half term and we will see you all on Monday 2nd June.**

**Mrs Steward - Principal**

#### **Year 6**

Congratulations to year 6 pupils on completing their SATs! The pupils have worked incredibly hard and have shown great resilience and determination. We are so proud of their positive attitude and are looking forward to seeing their results on the 8<sup>th</sup> July. Well done superstars!

#### **VE Day**

On the 8<sup>th</sup> May, our pupils joined the nation in celebrating and commemorating the 80<sup>th</sup> anniversary of VE Day. We had a fantastic time learning all about what VE Day was and what it was like, designing medals, making bunting, decorating cupcakes, singing along to wartime songs and much more. We dressed in red, white and blue and lots of children also dressed up as wartime children, soldiers and even land girls! We even had an afternoon tea style lunch for those having school lunches. It was an amazing day!

#### **Normanby Hall**

Year 1 thoroughly enjoyed their trip to Normanby Hall. Whilst there, the children experienced life as a Victorian laundry maid and the strenuous work they endured daily. Children had the opportunity to dress up and participate in activities such as using a dolly stick and tub and practising ironing garments using a heavy flat iron. This trip has supported pupils History and Science learning as they explored the beautiful gardens which are surrounded by beautiful flowers and trees. Both staff and pupils had an amazing day!

### The Deep

Reception Class had a wonderful time at the Deep! We explored the marine life and saw a variety of different sea creatures such as turtles, fish, sharks and stingrays. The sharks were a huge favourite due to our previous learning in English on 'Surprising Sharks'. In addition, the children all had a workshop on littering on the beaches and in the ocean, and how it can impact sea creatures. We had so much fun!

### Eaton Court Visit

Our WeWill Care project has come to an end and Year 3 have had the most amazing time working alongside our local care home Eaton Court. It has been wonderful to see how enthusiastic our pupils have been to learn about carers and dementia. We will be staying in touch with all of the staff and residents and continuing to support our local community.

### Wilderspin

This term China, Denmark and Egypt were fortunate enough to visit 'Wilderspin'. This is a museum focussing on the life and works of Samuel Wilderspin, who transformed schooling during the Victorian period. We experienced many aspects of Victorian life at school and also discovered how we know so much about it today! This tied in superbly with our current topic of 'The Victorians' and the pupils "know so much more now I've been there" and "want to take my little brother there now" having spent a full day learning about childhood over 150 years ago.

### Dance Performance

**Our Cheerleading and Dance groups performed their routines to years 3-6 showcasing their amazing talents and outstanding effort they have put into their dance. The performance was loved by all!**

### Colour Run

What another amazing and successful colour run we had! Once again, we creating a fantastic community atmosphere with our staff, pupils and family, having the most wonderful afternoon of fun and laughter. Thank you for all who attended

### Year 4 Swimming

This term, Year 4 pupils got to go to Cleethorpes Leisure Centre for swimming lessons. For some of them, this was their first opportunity to begin to learn how to swim. They learned lots of things such as putting their faces into the water, floating on their backs, building up the confidence to jump into the pool as well as learning how to swim using floats and support. More confident swimmers began to learn different strokes and improved their techniques. Well done to all for achieving their Level 1 and 2 award.

### Exam Stress Workshop

Year 6 pupils took part in a workshop to support their confidence and stress level with the build up towards their SATs. All pupils interacted well throughout and displayed great maturity. When asked question, there was an abundance of hands raised to respond to the workshop lead, Emily. Emily praised all of the children for their interaction and outstanding behaviour throughout and is looking forward to delivering the transition workshop in the near future.

### Upcoming events

- 3rd June—class photos
- 5th June— Year 4 Far Ings trip
- 6th June— Years 1&2 sports day— 1.30pm
- 11th June— Reception sports day— 9.30am
