

## LKS2 Domains

Domain	At OAT we describe this to children in LKS2 as...
author choice	The choices that the author makes to affect the reader.
inference	Working out something that isn't written using clues in the text and your own knowledge.
vocabulary	What words mean in context.
compare	Looking for similarities and differences within and between texts.
contrast	Finding examples of differences within and between texts.
comment	Explaining what I think using evidence from the text.
retrieval	Finding specific information in a text.
summary	Identifying and sequencing the main themes or events in a text.
prediction	Explaining what we think will happen based on what we know and have found out.
