

## UKS2 Domains

Domain	At OAT we describe this to children in UKS2 as...
author choice	How the author intentionally makes decisions around vocabulary, tone and structure to have a desired effect on the reader.
inference	Working out something not explicitly stated in the text, using clues from the text as well as our background knowledge.
vocabulary	What words mean in context and how they affect a text.
compare	Exploring similarities and differences within and between characters, settings and texts.
contrast	Exploring similarities and differences in characters, settings and texts.
comment	Forming and explaining my opinion of a character, setting or text based on evidence.
retrieval	Locating and identifying key details explicitly stated in a text.
