HOUSE OF COMMONS
LONDON SW1A 0AA

11th February 2026

Dear Headteacher,

I am writing to follow up on the letter you recently received from the Education Secretary, Bridget Phillipson, congratulating the staff and pupils at the school for the excellent outcomes you achieved in the last academic year.

I wanted to join the Education Secretary in putting on my record my thanks for all you do to set every child up to achieve academically and thrive as young people.

As your local Member of Parliament, I am here to do all I can to support you and your pupils. Ahead of the upcoming Schools White Paper, if there is anything I can feedback to the team at the Department for Education, please do get in touch.

I am also interested in supporting you to spread your excellent practice across Great Grimsby and Cleethorpes. I would encourage you to take up the offer of the Education Secretary and engage actively with our local RISE network, our schools and trusts.

I believe children growing up in our constituency deserve the best start in life – nothing less. Thank you for doing all you can to make that possible.

Yours sincerely,
