

Welcome to our Summer term newsletter.

We have had such busy half term with year 6 SATs, trips and special activities. We are so proud of our year 6 pupils who tried their very best in their SATs.

Wishing you all a happy half term and see you all on Monday 1st June.

Mrs Steward - Principal

Year 6

A huge well done to all of our fantastic Year 6 pupils for completing their SATs! We are so proud of how hard they all worked; they put 100% effort into each test and remained so calm and positive. No matter the results, we are incredibly proud of all they have achieved and the way they conducted themselves throughout the week. Well done year 6!

Mental Health Month

We took part in a live webinar to get motivated and to support pupils' mental health. A PE session was led by Joe Wicks and over 6000 schools participated! After the session pupils were able to ask Joe questions and learn more about having great mental health.

The Very Hungry Caterpillar

Pre-School children have been enjoying listening to the story The Very Hungry Caterpillar. They have been taking part in fun colourful tasks to support their learning.

Buddy the therapy dog visits

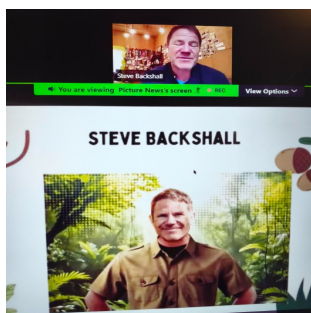

The year 1 & 2 children loved meeting Buddy the dog. All of the children had the opportunity to spend some time with Buddy the dog building their confidence around him. Some children even read him a short story.

After the story, they've been exploring live caterpillars to observe changes whilst they change into beautiful butterflies, just like the Hungry caterpillar did.

David Attenborough's 100th Birthday

We all enjoyed celebrating Sir David Attenborough's 100th birthday by taking part in a live webinar to celebrate his life and achievements. Pupils took part in a range of tasks including creating colourful pictures, read stories and discussed his success in life.

We were even join live by Steve Backshall and were able to ask him questions.

Year 1 Science Walk

Year 1 went on a walk to The Duke of York Gardens to kick start their new Science topic of plants and flowers. They met with Elaine

from Grimsby in Bloom who showed them around the gardens and spoke about some of the plants and flowers they grow there. Pupils spent some time exploring the gardens; we

drew some of the plants and took lots of photos to take back to class. In science they have learned about the main parts of plants so they used their photographs to label them.

Dog Therapy Fundraiser

We have had a brilliant term welcoming 'Buddy' the dog and his owner Pauline from Therapy Dogs Nationwide. Buddy and Pauline are volunteers that visit us regularly on a Wednesday and enjoy sharing books with us.

A huge thank you to everyone who has contributed towards our charity event raising money for Therapy Dogs Nationwide. We have all had lots of fun!

Trip to Cleethorpes

Year 1 had a fantastic trip to Cleethorpes. They began their adventure by catching the train from Grimsby Town to Cleethorpes, which was an exciting experience for many of the children.

They visited Papas Fish and Chips, where the children took part in a wonderful workshop. They learned all about fish and chips, explored different types of fish, helped to make batter, and even built their own fish and chip boxes.

Pupils then visited the new Royal National Lifeboat Institution lifeboat station in Cleethorpes. The children enjoyed a guided tour and were amazed to see the brand-new £500,000 lifeboat up close. They learned about the important work the RNLI does to keep people safe at sea.

Upcoming events

- 1st June– Multiplication check start-Year 4
- 2nd June– Class photos
- 3rd/4th June—Reserve Colour Run 1.30pm

- 01.06.26- Children return after half term
- 24.07.26 - Children finish for Summer break at 2.00pm
- 02.09.26– Children return after summer break

Miss Wilkins will sadly be leaving OSPA at the end of May. We wish her all the best in her next steps. Miss Wilkins shared that she has loved being part of such an amazing community and school and will take with her many cherished memories. Miss Wilkins would also like to wish all the pupils and their families at OSPA success and happiness for the future

ANDYSMANCLUB

#ITSOKAYTALK

WHAT IS ANDYSMANCLUB?

ANDYSMANCLUB is a free peer-to-peer group that provides a place for men to come together in a safe and open environment to talk about the issues or problems that they have faced or are currently facing.

WHEN IS IT?
ANDYSMANCLUB meet every Monday at 7pm (excluding Bank Holiday Mondays).

HOW DOES IT WORK?
The process is about bringing men together who have been in similar situations, to help each other on a peer to peer basis, sharing how they have dealt with various situations through lived experiences. No matter how big or small your problem feels, we are here to support each other. The 5 questions that are asked each week are designed not only to encourage men to talk, but to start to focus on the positives and on strategies to keep moving forward. There is no pressure to answer any of the questions and it is not uncommon for men to just listen for the first few sessions. The clubs all run on the same format and adhere to the same guidelines. A key principle of ANDYSMANCLUB is anything that is said in the club, stays within the club.

WHERE IS IT?
ANDYSMANCLUB has clubs in many locations across the UK. Check our website below for a full list.

WHO IS IT FOR?
The club is open to any man 18 or over, who is going through a storm, been through a storm or just wants to meet a good group of people with the aim of improving one another.

HOW DO I JOIN?
Just turn up on the night. No registration or referral is required, all we ask is that you arrive before 7pm. The full list of our locations is available on our website.
