7th July 2026

Dear Parents / Carers

Bikeability

I am writing to let you know that in September Year 6 will be having Bikeability training. During the training children will learn how to ride their bikes safely. Each year we provide this for our year six children with great success. To take part in Bikeability your child must be able to rise a bike unaided.

Children in **Nepal class** will receive their training on Wednesday 9th September & Wednesday 16th September. Children in **Mexico and Poland** will receive their training on Thursday & Friday 17th & 18th September.

Please use the QR code below to register your child, please note **this is only for children in Mexico & Poland taking part in the second group. This must be completed Wednesday 2nd September.**
