# CALLING YEAR 3 PARENTS!

School Fruit and Vegetable Scheme
A closer look

## Were you involved in our research last year? If so - we need your help again!

Last year, you shared your experiences of the **Government's Free School Fruit & Vegetable Scheme**. Now we're following up with families as children move into Year 3, when the scheme ends.

If you took part in our research last year, we'd love to hear from you again to understand what has changed for your child and family.

If you didn't get chance to take part last year, but your child was in the class we observed, we'd love your input now!
